## Report on review of interim condensed consolidated financial information

To the Board of Directors of  
Kuwait Financial Centre – KPSC  
Kuwait

### *Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Kuwait Financial Centre – KPSC (“the Parent Company”) and its subsidiaries (“the Group”) as at 30 September 2020 and the related interim condensed consolidated statements of profit or loss, profit or loss and other comprehensive income, changes in equity and cash flows for the nine-month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of preparation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

### *Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of preparation set out in Note 2.

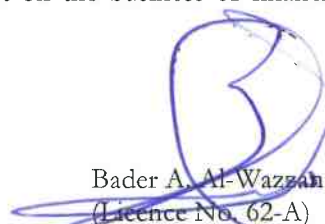

### **Report on review of other legal and regulatory requirements**

Based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company. We further report that, to the best of our knowledge and belief, no violation of the Companies Law No. 1 of 2016 and its Executive Regulations, or of the Parent Company’s Memorandum of Incorporation and Articles of Association, as amended, have occurred during the nine-month period ended 30 September 2020 that might have had a material effect on the business or financial position of the Parent Company.

We further report that, during the course of our review, we have not become aware of any material violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organisation of banking business, and its related regulations, or of the provision of Law No. 7 of 2010 concerning the Capital Market Authority and its related regulations during the nine-month period ended 30 September 2020 that might have had a material effect on the business or financial position of the Parent Company.

## Notes to the interim condensed consolidated financial information (continued)

### 2 Basis of preparation

This interim condensed consolidated financial information of the Group for the nine-month period ended 30 September 2020 has been prepared in accordance with IAS 34, Interim Financial Reporting except as noted below.

The annual consolidated financial statements have been prepared in accordance with the regulations for financial services institutions as issued by the Central Bank of Kuwait (“CBK”) in the State of Kuwait. These regulations require expected credit loss (“ECL”) to be measured at the higher of the ECL on credit facilities computed under IFRS 9 according to the CBK guidelines or the provisions as required by CBK instruction; the consequent impact on related disclosures; and the adoption of all other requirements of International Financial Reporting Standards (“IFRSs”) as issued by the International Accounting Standards Board (“IASB”) (collectively referred to as IFRS, as adopted for use by the State of Kuwait).

The accounting policies used in the preparation of these interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2019 except for the changes described in Note 3.

This interim condensed consolidated financial information does not contain all information and disclosures required for complete consolidated financial statements prepared in accordance with the International Financial Reporting Standards. In the opinion of the Parent Company’s management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included.

Operating results for the nine months ended 30 September 2020 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2020. For more details, refer to the annual audited consolidated financial statements and its related disclosures for the year ended 31 December 2019.

### 3 Changes in accounting policies

#### 3.1 New and amended standards adopted by the Group

A number of new and revised standards are effective for annual periods beginning on or after 1 January 2020 which have been adopted by the Group. Information on these new standards is presented below:

<i>Standard or Interpretation</i>	<i>Effective for annual periods beginning</i>
IFRS 3 - Amendments	1 January 2020
IAS 1 and IAS 8 - Amendments	1 January 2020
IFRS 7 and IFRS 9- Amendments	1 January 2020
IFRS 16 – Amendments	1 September 2020

#### *IFRS 3 – Amendments*

The Amendments to IFRS 3 Business Combinations are changes to Appendix A Defined terms, the application guidance, and the illustrative examples of IFRS 3 only with respect to Definition of Business. The amendments:

- clarify that to be considered a business, an acquired set of activities and assets must include, at a minimum, an input and a substantive process that together significantly contribute to the ability to create outputs;
- narrow the definitions of a business and of outputs by focusing on goods and services provided to customers and by removing the reference to an ability to reduce costs;
- add guidance and illustrative examples to help entities assess whether a substantive process has been acquired;
- remove the assessment of whether market participants are capable of replacing any missing inputs or processes and continuing to produce outputs; and
- add an optional concentration test that permits a simplified assessment of whether an acquired set of activities and assets is not a business

### 3 Changes in accounting policies (continued)

#### 3.1 New and amended standards adopted by the Group (continued)

##### *IFRS 3 – Amendments (continued)*

The application of the amendments did not have a significant impact on the Group's interim consolidated financial information.

##### *IAS 1 and IAS 8 – Amendments*

The amendments to IAS 1 and IAS 8 clarify the definition of 'material' and align the definition used in the Conceptual Framework and the standards. The threshold for materiality influencing users has been changed from 'could influence' to 'could reasonably be expected to influence'.

##### *IFRS 7 and IFRS 9- Amendments*

This includes amendments regarding pre-replacement issues in the context of the IBOR reform.

##### *IFRS 16- Amendments*

This includes amendments on Covid-19-Related Rent Concessions.

The application of the amendments did not have a significant impact on the Group's interim consolidated financial information.

#### 3.2 IASB Standards issued but not yet effective

At the date of authorisation of this interim condensed consolidated financial information, certain new standards, amendments and interpretations to existing standards have been published by the IASB but are not yet effective, and have not been adopted early by the Group.

Management anticipates that all of the relevant pronouncements will be adopted in the Group's accounting policies for the first period beginning after the effective date of the pronouncements. Information on new standards, amendments and interpretations that are expected to be relevant to the Group's interim condensed consolidated financial information is provided below. Certain other new standards and interpretations have been issued but are not expected to have a material impact on the Group's interim condensed consolidated financial information.

*Standard or Interpretation*

*Effective for annual periods beginning*

IFRS 10 and IAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendments  
 IAS 1 Amendments

No stated date  
 1 January 2023

##### *IFRS 10 and IAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendments*

The Amendments to IFRS 10 Consolidated Financial Statements and IAS 28 Investments in Associates and Joint Ventures (2011) clarify the treatment of the sale or contribution of assets from an investor to its associate or joint venture, as follows:

- require full recognition in the investor's financial statements of gains and losses arising on the sale or contribution of assets that constitute a business (as defined in IFRS 3 Business Combinations)
- require the partial recognition of gains and losses where the assets do not constitute a business, i.e. a gain or loss is recognised only to the extent of the unrelated investors' interests in that associate or joint venture.

## Notes to the interim condensed consolidated financial information (continued)

### 3 Changes in accounting policies (continued)

#### 3.2 IASB Standards issued but not yet effective (continued)

##### *IFRS 10 and IAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture – Amendments (continued)*

These requirements apply regardless of the legal form of the transaction, e.g. whether the sale or contribution of assets occurs by an investor transferring shares in a subsidiary that holds the assets (resulting in loss of control of the subsidiary), or by the direct sale of the assets themselves.

IASB has postponed the effective date indefinitely until other projects are completed. However, early implementation is allowed. Management anticipates that the application of these amendments may have an impact on the Group's interim consolidated financial information in future should such transactions arise.

##### *IAS 1 Amendments*

The amendments provide for consistent application of the requirements with respect to determining whether, in the statement of financial position, debt and other liabilities with an uncertain settlement date should be classified as current (i.e. due to be settled within one year) or non-current.

### 4 Judgment and estimates

The preparation of interim condensed consolidated financial information requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited consolidated financial statements as at and for the year ended 31 December 2019.

### 5 Group's subsidiaries

During the period, the Group's ownership has changed in the following subsidiaries:

Name	Country of incorporation	Ownership percentage			Activities
		30 Sept. 2020 (Unaudited)	31 Dec. 2019 (Audited)	30 Sept. 2019 (Unaudited)	
Markaz Arabian Fund	Kingdom of Bahrain	69.33%	69.31%	69.07%	Investment Fund
Markaz Development 3	Cayman Island	62.64%	67.67%	-	Real Estate

The ownership of Markaz Arabian Fund increased by 0.02% (30 September 2019: decreased by 0.68%) and Markaz Development 3 decreased by 5.03% (30 September 2019: Nil) due to changes in units and shares held by non-controlling interests holders as a result of subscription and redemption of the fund's units and entity shares. These changes in the ownership resulted in a net gain of KD109 thousand (30 September 2019: loss KD149 thousand) which was included in interim condensed consolidated statement of changes in equity.

### 22 Fair value measurement

Fair value represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Financial assets and financial liabilities measured at fair value in the interim condensed consolidated statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 fair value measurements are those derived from inputs other than quoted prices that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The financial assets and liabilities measured at fair value on a recurring basis in the interim condensed consolidated financial position are grouped into the fair value hierarchy as follows:

Fair value of investments carried at amortised cost are not materially different from their carrying values.

There have been no significant transfers between levels 1 and 2 during the reporting period.

#### Measurement at fair value

The methods and valuation techniques used for the purpose of measuring fair value are unchanged compared to the previous reporting year/period.

#### Level 3 fair value measurements

The Group's financial assets and liabilities classified in level 3 uses valuation techniques based on significant inputs that are not based on observable market data. The financial instruments within this level can be reconciled from beginning to ending balances as follows:

### 23 Structured entities (Special Purpose Vehicle)

The Group has created certain Special Purpose Vehicles (SPVs) for the Group's asset management activities. These SPVs are used to raise funds from the Group's clients on the basis of product offering documents with eventual objectives of investments in specified asset classes as defined in the offering documents of the SPVs. These SPVs are managed on a fiduciary basis by the Group's asset management teams. As some of these SPVs are not controlled as at the reporting date in accordance with the definition of control in IFRS 10, those SPVs are not consolidated into the Group's interim condensed consolidated financial information.

Investment in SPVs that are not consolidated, are included in financial assets at fair value through profit or loss, and investments carried at amortised cost in the interim condensed consolidated statement of financial position.

## Notes to the interim condensed consolidated financial information (continued)

### 24 Fire incident

During the second quarter, one of the structured entities (which was consolidated during the current period – refer note 5.1) reported a fire incident at a development project in the USA which has damaged 2/3rd of the project buildings. The project is covered by an insurance policy against damage due to fire. The loss due to fire incident has been fully assessed and the Group's management believes that the insurance claim will cover for the losses incurred on this project as the insurer has already accepted the claim and paid substantial part of the insurance claim for the reconstruction of the damaged site. Accordingly, this incident will not materially impact the Group's interim condensed consolidated financial information.

### 25 Effect of COVID-19

The outbreak of Coronavirus ("COVID-19") pandemic and related global responses have caused material disruptions to businesses around the world, leading to an economic slowdown. Global and local equity markets have experienced significant volatility and weakness. While governments and central banks have reacted with various financial packages and reliefs designed to stabilise economic conditions, the duration and extent of the impact of the COVID-19 outbreak, as well as the effectiveness of government and central bank responses, remains unclear at this time. Management of the Group is actively monitoring the effects COVID-19 may have on its business operations.

In light of COVID-19, the Group has considered whether any adjustments and changes in judgments, estimates and risk management are required to be considered and reported in the condensed interim consolidated financial information. Below are the key assumptions about the future and other key sources of estimation that may have a significant risk of causing material adjustments to the interim condensed consolidated financial information:

#### *Impairment of non-financial assets*

The Group has analyzed impairment indicators arising and significant uncertainties around its investment properties located in UAE and KSA, especially arising as a result of COVID-19.

Accordingly, the Group has performed an impairment assessment of its investment properties, considering the negative impact of COVID-19 on market value of properties located in UAE and KSA, and concluded that recoverable amounts of certain properties are lower than their carrying values as at the end of reporting period. As a result, during the period the Group has identified an impairment loss amounting to KD 3.1 million in respect of these properties in this interim condensed consolidated financial information.

#### *Fair valuation of financial assets*

The uncertainties caused by COVID-19 have required the Group to reassess the inputs and assumptions used for the determination of fair value of financial assets at FVTPL.

The Group has determined the fair value of its equity securities, managed funds and fixed income securities based on most recent market information relating to the respective investments and recognized resulting unrealized loss in this interim condensed consolidated financial information.

With regards to Group's equity participations in real estate properties in USA and Europe the Group has performed an analysis of market conditions in respective locations under current condition including analysis of property specific factors. Based on this analysis Group management has concluded that values of the underlying properties as at 31 December 2019 remains largely unchanged.

#### *Going concern*

The Group has performed an assessment of whether it is a going concern in the light of current economic conditions and all available information about future risks and uncertainties. The projections have been prepared covering the Group's future performance, capital and liquidity. The impact of COVID-19 may continue to evolve, but at the present time the projections show that the Group has ample resources to continue in operational existence and its going concern position remains largely unaffected and unchanged from 31 December 2019. As a result, this interim condensed consolidated financial information has been appropriately prepared on a going concern basis.
