

Monthly Factsheet

Markaz Midaf Fund

NAV KD 5.315 As of November 30, 2024

Fund Objective: The fund aims to achieve capital gains that exceed the benchmark on the long term, by investing in the shares of a selected group of companies listed and unlisted on the stock exchange, in accordance with the investment policies, rules and restrictions contained in the articles. The fund manager is also entitled to invest in instruments issued by Kuwaiti banks, such as certificates of deposit, primary issues and public offerings expected to be listed in the stock market, in addition to bonds issued by the governments of the GCC countries or with their guarantee, and units of money market funds and units of local debt instrument funds with the aim of distributing risks, taking into account the investment restrictions contained in the articles given that all the Fund's investments do not conflict with the provisions of Law No. 7 of 2010, its executive regulations, decisions, instructions and subsequent amendments thereto.
